4) Free time activities

a) I think Holly and Olivia go cycling. They don't play computer games and the don't go skateboarding either. They go inline skating and play with Mr Fluff and Honey but they don't play football.

I think Dave doesn't go swimming and he doesn't play football either, but he plays computer games and he reads funny books.

b) Lots of students play basketball. Only one girl plays the saxophone and only one boy makes models. Boys like playing basketball, but they don't like swimming. Six girls like swimming, but only (nur) two girls like basketball.

c) Write four sentences about what you do in your free time! *Individuelle Lösungen*

5 a) Olivia:

What animals do you like?

Can you ride the horses at Mudchute Farm?

What does a ticket cost?

When does the farm open?

How do people come to the farm?

Can you meet interesting people?

The Woman's answers:

I like all animals, but I love farm animals.

Yes, you can.

It's free.

It's open from Tuesday to Sunday from 9 am. till 5 pm.

They come by car, by bus, by DLR or by bike.

Yes, you can meet a lot of interesting people there.

5 b)

Do you work in Mudchute Kitchen or on the field?

Do you talk to the visitors?

Can the visitors feed the animals?

How many animals are at Mudchute Farm?

I sell tea and coffee at Mudchute Kitchen.

Of course, I love to talk to them!

They can feed some but not all of them.

There are over two hundred animals. That's a lot!
